**CROWNE PLAZA®**  
**—**  
**GLEN ELLYN - LOMBARD**

**COMMITMENT TO ENVIRONMENTAL SUSTAINABILITY**

Please help yourself to all of the filtered chilled water you want, located in the vending room on this floor. You will help us conserve the energy and raw materials that would have been used in the manufacture, delivery and disposal of 100,000 plastic water bottles this hotel would use each year.
