AN IHG® HOTEL

LOMBARD DOWNERS GROVE

Every Girl Deserves a Crowne at Crowne Plaza

Planning the perfect quinceañera begins with a venue that should be fun, spacious, budget-friendly and easily accessible to family and friends. It's also equally important that the venue's staff understands that the quinceañera tradition is not simply a birthday party, but a community celebration.

Our event space is truly the perfect quinceañera venue. Our LED lit ceilings and extensive audio visual services offer sophisticated fun as well as enough space to gather up to 300 family and friends in celebration of your Princess. You need the right partners to make it flawless, and that's Crowne Plaza®
